Re: United States v. Joseph Grunwald
Criminal Docket No. 24-19 (NRM) (S-1)

Dear Counsel:

Enclosed please find additional discovery. The discovery is being provided to you via USAfx. Please download it promptly and confirm in writing that you have done so.

The government discloses cell-site location information received pursuant to a search warrant (No. 24-MC-37) which shows the defendant's location on the day of his arrest, bearing Bates numbers JG_005783-JG_005784. This information was used solely to locate the defendant, and the government does not intend to introduce it at trial.

The government reiterates its requests for reciprocal discovery.

Very truly yours,

JOHN J. DURHAM
